

# Let's "TURN "EM ON" HEADLIGHTS - 24/7

Hi...My name is Lynette Newbey

This petition *and* my mission: Is to see the laws change to make headlight use compulsory. Working in the Transport Industry I drive 5000 km's per week and over the last 12 years I've seen too many **unnecessary accidents** happen on our roads.

**Some have been fatal... This is NOT A NICE EXPERIENCE.**

Have you noticed how many 'crosses' are appearing on our roads lately? The reason for this waste of lives?

**WE DON'T SEE EACH OTHER APPROACHING AND TAKE RISKS OVERTAKING.**

If you have ever had an accident - or know anyone who has - Please Sign this Petition!

So, let's all **"TURN 'EM ON - 24/7"** - to keep our roads safer.

When enough signatures have been collected, all petitions will be submitted to the government

I sincerely thank you for your support and wish you a safe journey
